Local Reservists To Attend Two-Week Army Maneuvers

Seven Area Men to Participate in "Operation Southern Pine" Practice Combat

Area reservists attached to headquarters Logistical Command "A" will leave Sunday to take part in a practice combat war, termed "Operation Southern Pine," a roll they hope they won't have to repeat where the bullets are real.

The extensive tactical operations will take place August 5-8 in a wide area near Ft. Bragg, North Carolina. The unit with headquarters in West Palm Beach is under the command of Col. Harry Johnson, Lt. Col. Phil O'Connell is executive officer.

Planning to attend the two-week maneuvers are: Capt. William A. Wooten, Jr., assistant G-1; First Lt. Robert W. McCann, signal officer; Second Lt. George Wedgeworth, special service officer; Sgt. Julius Harris; Pfc. William Murrah; Holton; Cpl. Bernard Ahern; Moore Haven; and Major John Adams, Chaplain, Cleveland.

The group will take part in the defensive team. The aggressor team was readying for attack this week to make the maneuvers as real as possible. Aggressor forces comprise more than 10,000 hand-picked American troops.

So extensive is the operation that 850 officers are attending in unripe school in preparation for the joint Army Air Force exercise. Brig. Gen. F. O. McConnell heads the group as chief, umpire and Col. A. C. Hamilton and Brig. Gen. Franklin Rose head the ground and air umpires respectively.

Approximately 150 Army linguists from 22 countries are attached to the group. These men, who are destined to become prisoners of U. S. forces in the maneuver, are being trained in methods to make "Tough" for U. S. interrogators to obtain information.

Following Fort Bragg's war maneuver area during "Exercise Southern Pine" will be a fleet of 63 mobile PXs. Each manned by two civilian operators who are destined to increase the number to a hundred following the loan. According to the report, there is now sufficient grass to support the increased number of cattle.

The project, begun over a year and partly financed by notes without interest taken by local citizens, purposes to raise money for the construction of a community swimming pool.

Following a financial report of the Lions Club ranch, local organization members moved to borrow sufficient funds to fully stock the club's pastures.

"Presently the club has 62 steers in the pasture," said the number to a hundred following the loan. According to the report, there is now sufficient grass to support the increased number of cattle.

ELKS INITIATE SEVEN MEN AT MONDAY MEET

James C. Baldwin, local Elks exalted ruler, initiated seven men at the regular club meeting Monday night in this lodge. Those initiated were: Dock Garner, Robert T. Bell, Harold McKee, George Wedgeworth, Vernon Bryant, Moore Haven, Harry P. Johnson, Cleveland, and Arthur L. Moorman, Jr., Cleveland.

Fourteen local members attended the dance, golf tournament and banquet last weekend in Vero Beach. Pt. Pierce won first place, Vero Beach second and Belle Glade, third. A. E. (Slick) Kirkman won the gold cup for the most strokes and a door prize of a brightly colored sport shirt.

Those attending included: A. E. Kirkman, Luther Jones, J. B. Jones, Logan Paris, Bob Davis, Bill Rhodes, Caspar Van Lindingham, E. M. Van Lindingham, Joe Zieman, Billy Weeks, R. Y. Creech, Jr., Louie Gold and Bob Muller.

Belle Glade, Vero Beach and Ft. Lauderdale are still tied with two wins on the permanent position. The competition is expected to be stiff at the next Elks tournament scheduled for September 29 at the Palm Beach Country Club. According to the golf chairman, this tournament will offer one of the most extensive programs yet held.

Plans for the modern three-wing high school building drawn by Architect Edgar S. Wortman, Lake Worth, have been officially approved by the county board and the State Department of Education, Watkins stated. He corrected a newspaper statement of this week which said that the plans had not yet been approved.

A tentative deadline of August 15 for the purchase of the site was set aside due to the necessary allocation.

Other county school construction which is going forward does not require over the 25-ton minimum of steel, Watkins said.

Forty-six non-commissioned officers and privates of Company "E" 11th Infantry 51st Division of the Florida National Guard picture here are ready to leave for Camp McClellan, Ala. They left last Saturday for a two-week camp training period.

GEORGE PEERS TO SPEAK AT ROTARY CLUB MEET

George Peers, director of the Veterans service for the Lake Worth office, will speak at the regular Rotary Club meeting in the Legion Hall today at noon, according to Ralph Freeman, publicity chairman.

Peers will speak on veteran affairs, Freeman says.

BAND STUDENTS PREPARE FOR FOOTBALL SEASON

Band students have been practicing music, routines and drills for the football season during the summer music program, according to Alan H. Drake, band director.

He stated that several routines are planned in the band formation including a six man instead of a five man front and wider spacing between the lines.

Several entirely new routines also are planned.

ROAD WORKS BEGINS AT FARM LABOR CAMPS

Road Contractor for resurfacing streets in Okeechobee and Okeechobee Farm Labor Supply Camps, Rubin Construction Co., moved in equipment and started operations this week, according to Emmet S. Roberts, director of the Belle Glade Housing Authority.

The company was awarded the contract for the low bid of \$49,301.50 on July 6, Roberts said.

Robert Edward O'Leary, 441 E. 14th Place, Hialeah, was killed in a three vehicle accident during the summer music program, according to Alan H. Drake, band director.

Herman Thompson, driver of the truck, 21, of Cleveland, Ohio, was hospitalized at the Bell Glade hospital with lacerations of the head and body bruises.

Sheffield who investigated, stated that O'Leary, driving a 1950 Dodge, attempted to pass the truck driven by Burton Martin of Okeechobee. Both cars were slightly injured and crashed head on into a 1951 white tractor which Thompson was driving to Miami.

Martin was uninjured and his truck was not damaged. Both of the other vehicles involved were demolished with the damage estimated at \$12,000.

CECIL BAIR APPOINTED TEMPORARY ASSISTANT FIRE CHIEF THIS WEEK

Fire Chief L. E. Will announced this week the temporary appointment of Cecil Bair as assistant fire chief to replace Bob Blair.

Bair is the senior man for the appointment and is in line for the position, Will stated. He has been on the force as regular fireman for two and a half years and was a volunteer fireman before that.

Before the appointment can become permanent, Bair must serve six months under temporary status, pass the civil service examination and be approved by the city commission.

Bob Blair gave up the position last week to become an salesman with Pirsch and Sons, fire equipment manufacturers.

CITY EMPLOYEES GET TEMPORARY PAY RAISE

City Commissioners "Oked" a temporary cost of living raise for all city employees of 15 dollars a month at a recent commission meeting.

They approved of the appointments of Bob Lanier and West Jones to the Civil Service Board at a special commission meeting held Monday night.

The two men replace Herman Close and H. C. Collins on the board. Other business considered at the special session was approval of the bill of sale on a pump

for placement in Northmore Gardens and approval of the probationary appointment of Mrs. Katherine McCormick as assistant city clerk. She replaces Mr. Bob Davis in the position.

STATE STOPS SEINING IN LAKE OKEECHOBEE

The state halted the month old provision permitting commercial seining in Lake Okeechobee and St. Johns River Wednesday and threatened to ban catfish traps, too, if bootlegging of game fish isn't stopped.

The action is a blow to fishermen's hopes for lowering of obstacles to taking a million-pound annual yield of catfish unwanted in Florida and selling it to a good Northern market.

If carried out in full, it would leave them only the multiple-hooked trotline to catch catfish.

ONE MAN KILLED IN WEEKEND SERIES OF HIGHWAY ACCIDENTS

Highway Patrolman Valton Sheffield reported four accidents, two major and two minor, in the vicinity last weekend.

Robert Edward O'Leary, 441 E. 14th Place, Hialeah, was killed in a three vehicle accident during the summer music program, according to Alan H. Drake, band director.

Herman Thompson, driver of the truck, 21, of Cleveland, Ohio, was hospitalized at the Bell Glade hospital with lacerations of the head and body bruises.

Sheffield who investigated, stated that O'Leary, driving a 1950 Dodge, attempted to pass the truck driven by Burton Martin of Okeechobee. Both cars were slightly injured and crashed head on into a 1951 white tractor which Thompson was driving to Miami.

Martin was uninjured and his truck was not damaged. Both of the other vehicles involved were demolished with the damage estimated at \$12,000.

Constable Ray Whitlock assisted in the investigation. Corner George A. Williams released the body to Berry Funeral Home at Pahokee.

John Schrier of South Bay completely demolished his car Friday night when he fell asleep and sideswiped a bridge and struck four pine trees. The accident occurred on SR 80 Okeechobee Labor Camp.

The two minor accidents occurred Friday morning and Sunday evening. Sheffield reported.

The accident Friday occurred when a car was on the wrong side of the road just South of South Bay on SR 27. One person was slightly injured and damage was set at \$1000.

About 7 a. m. Sunday one person was injured in an accident when a car was driving on the wrong side of the road on SR 77.

The accident Friday occurred when a car was on the wrong side of the road just South of South Bay on SR 27. One person was slightly injured and damage was set at \$1000.

WASN TO REPORT U OF FLA. FOOTBALL GAMES

Radio Station WSWF plans to carry a series of University of Florida football games in the fall, according to Mrs. Mary Fox, station manager.

Also slated for the fall schedule is the coverage of the Belle Glade High School Ram football games, she says.

There's nothing fishy about this story but the fish. Mr. and Mrs. M. M. Conway, Belle Glade, brought back the evidence from a recent fishing trip in Lake Okeechobee to prove that they're fishermen first class.

The catch, one of the biggest this season here, consisted of two snook weighing ten pounds each, one snook weighing 15

pounds and a five pound black bass.

The Conways caught the fish trolling just off of Bare Beach near the canal. They left in their boat from Slim's Fishing camp.

The only embarrassing part about the expedition, Conway confesses, is that his wife's bathing average was better than his own, three to one.

LAKE HARBOR, PORT MANE BEING IMPROVED NOW

The Florida State Coast rail line from Lake Harbor to Port Manatee will be in operation on Friday night when the season here is in full swing, according to R. E. Hotard, FEC traffic agent.

Rock ballast and tie beds are being laid on the line. The improvement will enable trains to travel at 35 miles per hour on the line.

Chairman Paul Rardin Tells Rotarians "How Your Tax Dollar Is Spent" Locally

TWO INDUCTIONS HERE SCHEDULED AUGUST 22

Two inductions are scheduled from the local draft board August 22, according to Mrs. Max Glenn, clerk.

On August 23 physical examinations will be given for transfers although no physical examinations are scheduled in August for local board registrants, Mrs. Glenn announces.

Word was received by the local board Tuesday that the temporary recession period of the inter service agreement, limiting enlistment eligibility, has been extended to August 31. Extension of the deadline means that registrants will be able to enlist in the branch of service of their choice until conditioning that during this extended period.

Hospital Installs Air Conditioning In Several Rooms

The program of expansion and improvement of facilities and operations at the Belle Glade Memorial Hospital, which has been accelerated during the last several months, included a new extensive installation, air conditioning, this week.

Equipment is now being installed in major and minor operating rooms and the delivery room by a local firm and should be in operation by the first of the week, according to Dr. Park, recently appointed hospital superintendent.

Air conditioning devices in the hospital building was erected, are being utilized, Park stated.

Although the new installation will add to the comfort of patients and the medical staff, its primary purpose is to increase efficiency of medical attendants and reduce the strain on the patients, Park explained.

Another big step forward planned for the immediate future is the installation of an auxiliary power plant designed to furnish power sufficient to operate the whole hospital. It is hoped that this will be accomplished by the hurricane season, Park said. The present auxiliary unit is not capable of supplying the whole hospital.

A greater degree of sterilization of dishes and utensils at the hospital was insured when continued on Page 3.

STOCKER DEMAND STRONG AT LAKE OKEECHOBEE MARKET'S BIG SALE

Demand for stocker cattle was strong at one of the season's largest sales Monday at the Glades Livestock Market, when 435 cattle sold for \$66,408.16, according to George Young, manager.

The sale included many "No sales" for fat steers, for buyers' prices were off one to two cents. The demand was strong but packers couldn't pay the prices asked.

Slaughter steers brought Good, 30 to 31.50; commercial, 28 to 30; utility, 26.75 to 27.75 and culler 25 to 26.75.

Slaughter cows were utility, 26.25; culler, 22.25 to 24.75 and summer, 21.50. Slaughter utility bulls brought 27.75 to 28 and culler, 26 to 26.50.

Steers returned common, 28 to 31.50 and inferior 25 to 30.50. Stocker calves returned common, 28.50 to 32.50 and inferior, 23 to 31.75. Heifer common, sold at 27.75 to 32.25 and bulls, inferior, at 23 to 24.50.

LAKE HARBOR, PORT MANE BEING IMPROVED NOW

The Florida State Coast rail line from Lake Harbor to Port Manatee will be in operation on Friday night when the season here is in full swing, according to R. E. Hotard, FEC traffic agent.

The County Tax Millage Edged Downward; Interesting Outline of Expenditures.

Proclaiming modesty as a virtue, Glades County Commissioner, and presently Chairman of the body, Paul Rardin told Rotarians Friday "How Your Tax Money Is Being Spent."

Pointing out that the Glades County is responsible for the county's first was when coastal citizens viewed a Glade of the body, Paul Rardin told Rotarians Friday "How Your Tax Money Is Being Spent."

Among budgeted items he listed four bridges: (1) Lake Harbor, (2) South Bay, (3) Six-Mile Bend, and (4) Canal Point. Rebuilding of State Road 80 and U. S. 41 from Six-Mile Bend to Twenty-Mile Bend, under contract to Loxahatchee to West Palm Beach.

The County is cooperating with Belle Glade equally in contributing in materials, labor and equipment to the tune of \$7500 a year, to match \$15,000 by the National Airport Authority.

Belle Glade's Hospital lowered the tax rate from 7.55 mills to 7.50; schools got all the law allows—ten mills.

Both the County Negro and White Children's Homes receive substantial monies and are getting a great work, equal to that of the County.

A county nurses home got \$50,000 to make living conditions better, to match \$15,000 by the County to increase efficiency of operation.

Growing needs of county offices necessitated considerable additional capital was added to the School Board getting the entire building at the NW corner of Olive and Seaboard.

It cost \$15,000 for the County to hold an election, \$75,000 is allowed for hospitalization.

Lake Harbor was credited with getting for the County the \$4,000,000 T. B. Sanitarium.

Our County Health Unit costs \$83,000 per year and is one of the best in the State.

Veterans Service Committee received \$17,984, the exact amount asked by that Committee. The statement was made by the County Chairman Ralph Freeman that \$10 was returned to the County for every dollar spent.

Mr. Rardin's comments were interestingly followed by his audience.

News of Glades Boys And Girls In The Service

August 21, 1948 while in his Junior year of High School, he took his "boot" training at San Diego Naval Base and while there also completed his high school course.

Upon completion of his Naval training at the base he was on a training cruise to Hawaii, Japan and surrounding islands for several months. Upon his return to the states in 1950 he was granted a short leave, returning to California after which he shipped out for another nine months overseas duty near Wonsung, Seoul and other Korean ports. About the U. S. S. St. Paul he saw plenty of action that area beside the U. S. S. Missouri, and during the time the St. Paul replaced the "Big Mo" when that ship came back to the states.

He is now stationed in "The Navy is oked," Smith said, "but it's certainly good to be back home."

James Rayford Smith, son of Mr. and Mrs. Jay Smith of San City, left recently for his base in San Francisco, after being in a three weeks vacation with his parents.

Smith enlisted in the Navy

Shootin' BlankS

By Pauliste

Maybe it would have been better to have been a hobo in the first place instead of firing up a driving ambition which makes you desirous of eating three meals a day.

For one thing, a hobo has no vacations which means that he does not have the task of acclimating himself at the conclusion of a period of free abandonment. The sum total of this paragraph is that the life of a hobo might not be so bad.

However, even though I am now suffering the pains of acclimating myself to labor again following a two week vacation, I, being scientific minded, can see both sides of the issue. There could be seven new hobo backs to leading the life of a hobo.

For instance, take the hobo who is told to the other to be continued on Page 3.

CITY RECEIVES \$5,404 IN CIGARETTE TAXES

The city received \$5,404.14 in cigarette tax return from revenue collected in May, according to the State Beverage Department report.

Other lake communities received: Clewiston, \$1,893.23; Pahokee, \$2,104.60 and South Bay, \$933.72.

Of the total collected, \$1,388,903.90, during the month, \$2,485,816.51 goes to the State Turnpike Authority and the remainder is distributed to eligible incorporated municipalities.

Builder of Better Fly Trap Makes "Big Stinky"

Bill Brown of Pewaukee, Wisconsin, is offering real competition for builders of better mouse traps. Only his gadget, "Big Stinky" is a better fly trap.

"Big Stinky" gives off an odor that is detectable by humans only at close range but which reaches out for a distance of from a quarter to a half mile to lure flies to their destruction."

A chemical placed inside the trap reacts with the flies themselves to generate a gas. Metal fins at the top of the trap induce air currents that carry away the gas and its enticing odor that suggests to Mr. and Mrs. Fly that "Big Stinky" would be an ideal place to propagate their species. The irony is tremendous as increasing numbers of flies enter the trap to be used as fuel for more gas generation.

Volunteer Firemen Honor Robert Bair With Party

Members of Belle Glade Volunteer Fire Department gave a farewell party at the Fire Station last Friday night honoring Robert S. Bair who has resigned his position as assistant Fire Chief and will be employed as a salesman for Pirsch & Sons, Atlanta.

A toy fire truck was given to Bair as a souvenir from the group who also presented him with a nice fishing rod and reel. In appreciation of his services

JOY BAYLEY PAYNE TO REPRESENT BURDINE'S IN THE LAKE AREA

Burdine's West Palm Beach always on the alert for new ways to better serve their many customers, announced the appointment of Mrs. Howard Payne (the former Joy Bailey) as Your Personal Shopper in the Lake Area. When you can find what you are looking for in your local stores, just reach for your telephone, call Belle Glade 2020, ask for Joy and all the resources of Burdine's are available to you.

Joy has been trained in the Burdine tradition, having been employed in the Display Department of the Miami Store and later acting as Advertising and Fashion Coordinator in the Ft. Lauderdale Store. In addition to being a long-time resident of the Lake Area with a good understanding of what people in this important part of the state need, she is completely familiar with the Burdine's West Palm Beach store and can do a great deal to make your shopping easier and more convenient.

Burdine's West Palm Beach is one of four Burdine Stores (others are located in Miami, Miami Beach and Ft. Lauderdale) that grew from an Indian trading post to a major American fashion center in fifty years. Burdine's own copyrighted "Sunshine Fashions" have been accepted throughout the country as authentic forecasts of trends six months in advance of general acceptance. Yet so close has been the development of these great Florida stores with the development of the state that despite their national reputation for "high fashion" Burdine's interest is first and foremost to fill the needs of the people of southeastern Florida all the year round.

To further expedite your shopping, Burdine's will now daily deliveries to Belle Glade, Pahokee and Canal Point.

Deliveries to Belle Glade, South Bay and Lake Harbor will be made twice weekly on Wednesdays and Fridays.

TOURNAMENT WEEK TO BE HELD IN PARADISE PARK
Tournament week is scheduled starting Monday in the summer recreation program in Paradise Park, according to the directors.

Intramural tournaments will be played in checkers, ping pong, badminton, shuffle board, croquet and tennis.

A picnic in the park at the end of the week will conclude the six-week summer program.

Mrs. Doug Leavitt, director of girls' activities, announces that the girls' softball team has played an all win schedule so far. The team defeated Clewiston twice 35 to 9 and 18 to 9 and Pahokee twice, 17 to 9 and 16 to 9. Games will be played with Clewiston there Monday night at 8 and Wednesday night at 8 with Pahokee there.

Team line up is: Mary Frances Wynn, pitcher; Erma Stein, first base; Martha Carden, second base; Beverly Phelan, third base; Betty Jean Harris, short stop; Dolly Rutledge, catcher; Muriel Ashley, catcher and short stop; Susie Dee, right field; Jane Norris, left field; Sue Brabaldo, center field; Frances Brabaldo, Willie Mae Pitts, Eleanor Miller and Gloria Crooby, substitutes.

SHOOTIN' BLANKS
(Continued from Page 1)
hate blanks." His companion asked him why, and he answered, "it makes me feel so common when no one else is working."

But then the question arises, where will ambition get you. Take the case of the ambitious young man who heard of the death of the junior partner of a big firm. Being full of self-confidence, he hurried to the office of the firm, whose senior partner was a friend of his.

"How about my taking your partner's place?" he asked. "Excellent!" said the senior partner, "if you can fix things with the undertaker."

The disconnected, wandering and aimless discourse is all in the way of a thesis dedicated to those who are in the throes of adjustment following vacations or who will be as soon as they return. Vacations and vacation ends are the theme of the day here.

A Bible and a newspaper in every house, a good school in every district, studied and appreciated as they merit are the principal support of virtue, morality, and civil liberty.

CITY DIRECTORY READY FOR DISTRIBUTION

The city directory published by the chamber of commerce will be ready for distribution and sale this week, according to R. E. Hotard, chamber president. Over 500 copies have been printed.

The 120-page directory will be available at local drug stores and at the chamber of commerce office. The sale price will be a dollar a copy, Hotard announced.

The new directory service includes complete listings of Belle Glade, at local drug stores, Ocoola Camp and Okeechobee Camp. It has a classified section.

LEGAL NOTICES
THIS IS NOTICE that on the 27th day of August, 1951, a meeting of the shareholders of the LITTLE MIAMI LUMBER CO., INC. was held at the office of Ralph O. Johnson, Attorney at Law, in the City of Miami, Florida, to consider the sale of the assets of said company.

At the said meeting, the following resolution was adopted, to-wit: That the assets of said company shall be sold to the highest bidder, and the proceeds of said sale shall be distributed to the shareholders of said company.

Witness my hand and the seal of said company this 27th day of August, 1951.

NO MORE FLIES!!

LURES, TRAPS, KILLS

Chemical reaction of Big Stinky Control Fly Trap produces powerful fly attracting lures fifth and germ carrying flies away from house, barns, etc. Flies follow scent like planes follow radio beam. Trap is escape-proof. In fly infested spot, single Big Stinky has killed 175,000 flies in 24 hours. Here's real fly control for yards, beaches, parks, farms, etc.

PEWALKER, Wis. Test—Network of Big Stinky Fly Traps covered this community—caught millions of flies. Pewalker remained free from police while surrounding communities were hit. Science long has suspected the fly as a pest spreader, though this has not been conclusively proved. The Pewalker test is submitted as indication of what may be looked for.

Mr. and Mrs. Robert R. Roadman Jr. have returned from a vacation and sight seeing trip in the mountains of the Carolinas.

GRAHAM GOODBREAD WED IN SUN. CEREMONY

Mr. and Mrs. J. D. Graham of South Bay announce the marriage of their daughter Gertrude Maddox and Alton Augustus Goodbread, son of Mrs. P. E. Goodbread at the Belle Glade Baptist Pastorial Sunday at 5:15 P. M. The Rev. Wade H. Griffin performed the ceremony.

The bride wore a brown and white shirkin street frock with matching accessories and a red and white carnation corsage.

Mrs. John R. Crow, sister of the bridegroom, was matron of honor. She wore a modernistic print afternoon dress and ruffled corsage. Howell Yates Goodbread was his brother's best man.

The ceremony was performed in the presence only of the immediate members of the families and a few intimate friends.

The mother of the bride wore a pink linen frock with a white carnation corsage. The mother of the bridegroom wore a navy blue and white shirkin street frock with a lavender carnation corsage.

The bride is a native of Dublin, Ga. and has made her home in Belle Glade for the past year.

The bridegroom has spent all his life in South Bay. He is a veteran of World War II in the European Theatre.

The couple plan to make their home in Belle Glade on their return from a short honeymoon trip.

A reception at the home of the bridegroom's mother followed the wedding which was attended by relatives and friends of the young couple.

The bride's table was laid with an all over lace cloth and centered with a three tiered wedding cake topped with a

miniature bride and groom

standing under a heart shaped arch. The cake was circled by a ring of fern and white carnations.

Mrs. W. M. Jeffries cut and served the cake, Mrs. John R. Crow presided over the punch bowl.

ENGAGEMENT OF MARY HEMPHILL ANNOUNCED

Mr. and Mrs. John D. Hemphill of Lake Harbor announce the engagement and approaching marriage of their daughter Miss Mary Ada Hemphill to P. J. F. Johnson of Headland, Ala. The marriage will be solemnized at the Lake Harbor Methodist Church in August.

The date will be announced.

Miss Hemphill came to Lake Harbor with her parents from Juliette at a very early age. She has made her home here continuously since then. She attended the South Bay school and was graduated from the Belle Glade High School with the class of 1951.

Johnson was graduated from his local high school with the class of 1948 and spent a year in Belle Glade before entering service with the National Guard.

ANNUAL TAX SALE SCHEDULED SEPT. 1

The City of South Bay will hold an annual tax sale of delinquent property as usual on September 1. The list of delinquent property is now being made up by the City Clerk and will be advertised for sale beginning next week.

Property owners wishing to avoid costs of advertising and tax sale costs must pay their 1950 taxes on or before Tuesday, August 7.

Church Letter Day Saints

Hold Union Meeting Sunday

The Union Meeting of the South Bay Church of Latter Day Saints was conducted Sunday afternoon in Fort Lauderdale. The meeting was held in the last Sunday of each month in Fort Lauderdale.

Those attending from the Glades were Mr. and Mrs. Julius Herring, Mrs. Hattie White, Mrs. W. C. Byrd of Hooker's Glades, and Harvey Wiggen of Belle Glade.

Rev. John O. Petrie New
Vicar Episcopal Church

The new vicar of Holy Trinity Episcopal Church, Pahokee, Reverend John Petrie, will conduct service for the first time Sunday morning, 11 o'clock, with Holy Communion and sermon.

Father Petrie who comes to this field from a successful pastorate at Christ Church, Harlan, Kentucky, is well acquainted in this region.

For two summers he has been in charge of the People's Church, Jupiter, and for two more years at the Congregational Church, Lake Worth. For the past month he has been supplying at Holy Trinity, West Palm Beach, for the Right Reverend Martin J. Bram, D. D., Suffragan Bishop-elect of the Diocese of South Florida.

While serving in Houston, Texas, during the war, he was public panel chairman for the War Labor Board and also a frequent arbitrator of management-labor disputes.

He and Mrs. Petrie are now in the vicarage in Pahokee.

SERVICE

(Continued from page 1)

Diego, California, where he expects to attend Naval School.

Max D. Lockhart of Belle Glade, now in San Diego, Calif., and some sixty-five of his Navy buddies paid a recent visit to Knott's Berry Farm in Southern California. They saw the famous Ghost Town with its ancient and authentic buildings, the old Gold Mine, Bottle House, General Store, and hundreds of relics of the days of '49. They spent an hour seeing the Horse Show as special guests of the Farm.

They enjoyed the chicken din-

WITH THE 1ST CAVALRY DIVISION, U.S. ARMY, IN KOREA—(Delayed)—A Pahokee, Fla., Army man is on the frontlines serving with one of the most famous infantry regiments battling Communists in the Korean War.

Private Oscar Dobrow, son of Abe Dobrow, Pahokee, in the Belle Glade area, is in the 1st Cavalry Division's 5th Cavalry Regiment.

Dobrow's colorful unit splashed ashore in Korea in July 1950. It was one of two regiments that

completely crushed three North Korean divisions early in the war near Waegwan.

After UN forces had punched through Communist lines in September and rolled into North Korea, Dobrow's regiment made the historic October 19th capture of the vital North Korean capital city of Pyongyang.

More recently, the 5th Cavalry sent a task force against an estimated three enemy divisions pressuring a French-American bastion at Chipyong-ni. The regiment's armored-infantry force completely crushed the enemy threat, killed the last 2,500 Chinese and freed the encircled UN forces.
